APPLICATION FOR NEW REGISTRATION - SECTION 3 - MUP

Dow AgroSciences is respectfully submitting an application for a new Section 3 registration for Mesotrione Technical herbicide. Since this product is substantially similar in composition and use of a U.S. EPA registered product, we are using the cite-all method of support to satisfy the data requirements for this proposed new MUP registration application. Therefore, please consider PRIA category R300, for a fee of \$1,582.00.
